## Single Bin Jogger

The Burroughs Single Bin Jogger jogs up to 325 checks, enabling smooth, jam-free feeding through image capture devices. Using this jogger results in an increased MICR read rate and fewer exceptions, saving you time and money on reject re-keying. In fact, many customers using this jogger have improved their MICR read rate by three to five percent. If each eliminated MICR reject saves you \$0.10, using this jogger could result in an annual savings of \$780.00.\* This jogger could pay for itself in just a few months!

\*Assumes 1,000 items processed per day.

---

### Compact and Light

The compact size of the Burroughs Single Bin Jogger makes it easy to place it in a convenient location. This jogger weighs in at only 10 pounds and is just 7" high x 3" wide x 10 5/8" long. Its light size makes it easy to move, should the need arise. This jogger holds up to 325 checks and is just the right size for use with image capture devices.

The Single Bin Jogger is perfect for banks, merchants and mailrooms that are jogging small quantities of checks and envelopes.

### Simple to Operate

This jogger is user friendly with a convenient start/stop button.

An advanced electromagnetic design prevents overheating and makes it possible to operate this jogger continuously.

### Warranty

Burroughs offers a one-year warranty on defects in jogger material and workmanship effective from the date of shipment.
