Smart Jogger

Burroughs Smart Jogger jogs checks quickly and efficiently. Its compact design makes it an ideal companion for image capture devices on desks or table tops in teller environments.

Fast and Efficient

Burroughs Smart Jogger allows you to jog a batch of checks in only a few seconds. By aligning the bottom and edges of checks, this jogger reduces the chance of check jamming and double feeding to maximize the efficiency of check scanning devices.

Compact

This compact-size jogger is ideal for smaller banks, branches, community banks, and credit unions with a lower volume of checks.

Features

- Jogging tray holds up to 250 checks
- Compact size (2.8" W x 6.4" H x 4.4" D)
- One-touch, automatic, timer-controlled operation
- Easily adjustable jogging time from 1 to 14 seconds

Warranty

Burroughs provides a one-year warranty for defects in material and workmanship on the Smart Jogger, effective from the date of shipment.
