Desktop Document Jogger

- Fast
- Whisper Quiet
- Improves MICR Read Rates
- One Touch Operation

Burroughs Desktop Document Jogger aligns the edges of up to 150 checks, enabling smooth, jam-free feeding through image capture devices. Using this jogger results in an increased MICR read rate and fewer exceptions, saving you time and money on reject re-keying.

Just right for you

With its ultra quiet operation, Burroughs Desktop Document Jogger is perfect for front office image capture check processing.

Weighing in at only 8 pounds and just 6 ½" high x 4" wide x 10" long, its light size makes it easy to move. It is just the right size for use with image capture devices. Burroughs Document Jogger is perfect for banks, merchants and mailrooms that are processing small quantities of checks and envelopes.

Simple to operate

Burroughs Desktop Document Jogger is user friendly with a convenient auto jog switch. An advanced electromagnetic design prevents overheating and makes it possible to operate this jogger continuously.
