With standard Parallel and Ethernet interfaces built-in, this printer is a rugged workhorse that provides crisp, clear print quality thanks to the heavy duty 24 pin print head and long life ribbon. Reorder Number: 912265990</p>
	<p>UDS2265 / Tally 2265+ Standard Parallel, Ethernet & Serial “Built to Perform” Those words exemplify the 2265 heavy duty serial matrix Tally printer. For work in the harshest environments, these heavy duty printers come with fortified cover sets, 750 million character print heads and long life ribbons – ensuring you of print quality for many years to come at a very low cost of ownership. Reorder Number: 912265995</p>
	<p>Tally 2365 Standard Parallel & Ethernet - Option (Serial) The 2365 printer represents top of the line print speeds, rugged durability and unsurpassed performance under the most extreme conditions. These workhorse printers guarantee crisp, dark, clear and legible print thanks to the advanced engineering of the 24 pin long life print head. This head is rated for 750 million characters, while the printer has a duty cycle designed to print over 40,000 pages per month ensuring you of low total cost of printing with quality you can depend on time and again. Reorder Number: 912365905</p>
	<p>Tally 2365HD Standard Parallel & Ethernet - Option (Serial) The 2365HD printer is built for the best in multi-part forms printing. These workhorse printers guarantee crisp, dark, clear and legible print thanks to the advanced engineering of the 24 pin print head. With the heavy duty head, you can print up to 9 part forms in the harshest environments. When you are printing multiple forms and performance and print clarity are keys, the 2365HD is the printer for you. Reorder Number: 912365907</p>
	<p>Tally 2365-2T Standard Parallel & Ethernet - Option (Serial) The 2365-2T (2 tractors) printer gives you the ultimate in speed and performance with an additional tractor to handle even more types of forms. Designed and tested to perform in extreme conditions, these heavy duty printers have long-life duty cycles so you can print over 40,000 pages per month with the best in print quality. Whether printing in batch mode or running standard forms, the 2365-2T is designed for the best in forms handling at a low cost of ownership. Reorder Number: 912365906</p>

Tally 2380 Standard Parallel & Ethernet - Option (Serial)

Unsurpassed excellence is what defines the rugged high powered 2380 printer. Built to leave a lasting impression on your productivity, this high speed workhorse exemplifies what rugged durability is all about. With its advanced 24-pin print head, the 2380 is engineered to perform at a blistering pace even in the harshest of operating environments. You're assured of top-shelf performance, crisp, clear and reliable print quality and a machine you can count on when your performance is what counts.

Reorder Number: 912380910

Tally 2380-2T Standard Parallel & Ethernet - Option (Serial)

The ultimate in paper handling, speed and performance, the Tally 2380-2T sets a blistering pace for your demanding forms printing. A rugged heavy duty print head assures you of a long life of printing at a cost-effective price. The additional tractor lets you handle forms of all types and sizes and gives you the added flexibility you need to print your specific job type without missing a beat.

Reorder Number: 912380911

Tally 2280-2T Standard Parallel & Ethernet - Option (Serial)

The 2280-2T has a longstanding heritage of top of the line forms printing. The print is crisp, sharp, dark and absolutely legible; thanks to the 24 pin print head. Fully automatic operation instills operator confidence and virtually eliminates errors caused by poor user intervention. Front feed provides all the benefits of easy forms installation, coupled with reliable paper transport. For flexible paper handling and the best in speed, choose the 2280-2T.

Reorder Number: 912280909

Tally 2150 Standard Parallel & Serial - Option (Ethernet)

2150 printers feature great ergonomics as the paper is front loaded rather than installed in the rear. With automatic top of form and zero tear the printers are easy to set up with no wasted forms.

Reorder Number: 912150901

UDS2250 / Tally T2250 Standard Parallel & Serial - Option (Ethernet)

Continuous and cut forms are fed at the front for quick and easy loading. This ensures a straight path for the forms resulting in reliable paper transportation, even on 6-part stock. Loading paper is easier. The operator does not have to fumble over or around the printer to gain access to rear located tractors. If 'tear at top of form' is inadequate for your application, the 2150S features a cutting device which separates forms automatically.

Reorder Number: 912250902

Tally 2440-9 Standard Parallel & USB - Option (Serial & Ethernet)

The products are ideal for back office applications which include retail, local government, hospitals, warehousing and distribution. They include printing labels, shipping documents and multipart forms.

Reorder Number: 912240903

Tally 2540-9 Standard Parallel & USB - Option (Serial & Ethernet)

Forms are easy to load as the paper is loaded either at the front or the rear of the printer. For precise paper control and to enable feeding of continuous forms, the push tractor can also be used as a pull tractor. The printer features a long life 9 pin print head providing compatibility with Oki and Epson 9 pin emulations. All printers support graphics and barcodes systems.
